Letter from the Editor

Welcome to Costa Rica

On behalf of the Staff and the IBFR, I welcome you to 31st Costa Rica Global Conference on Business and Finance. For over a year, we have all had to navigate unprecedented challenges that we never envisioned. The IBFR expresses our deepest gratitude to you for your understanding as we asked you to adapt to changes necessary to keep you, our colleagues, and our communities safe. We hope you enjoy our modified format with internet and virtual sessions.

We all know that college professors must balance their teaching, research, and service obligations. Finding the right forum to share and obtain feedback on our research, new teaching techniques, and innovative administrative processes can be challenging. The Institute for Business and Finance Research was created to facilitate your work by providing an environment conducive to knowledge and experience sharing. We encourage the academic community to share their work at our conferences and in our journals. We welcome articles which are of interest to scholars and practitioners in all fields of business, economics and related fields.

The 2021 Costa Rica GCBF represents a long-term commitment to bring individuals from around the world together to share their ideas and promote research on business and finance. The response to the conference has been good. We wish to thank you for selecting the GCBF as your research outlet. We also wish to thank the many people that have contributed to making the conference a success. We are delighted to report that the conference is truly a global conference. The participants come from a variety of high-quality institutions and will present work on a mix of academic issues.

We are proud to announce our upcoming conference. The 32nd winter conference will be held in Hawaii using an online format only, January 3-5, 2022. We have scheduled a return to our onsite format for our 33rd event. The 33rd summer Costa Rica will be held May 24-27, 2022 at the Wyndham Herradura Hotel, San Jose Costa Rica. In the event that travel limitations or other restrictions are imposed, the event will be held using a virtual format.

We hope you have a productive conference. If we can be of any assistance to you, please do not hesitate to contact us.

Warmest Regards,

Mercedes Jalbert
